Part 2

Under the Health and Social Care Act 2008 (The Care Quality Commission (Registration) Regulations 2009 Part 4), the registering body (Abbey-Dale Medical Centre) is required to provide the Care Quality Commission a statement of purpose.

Our Aims and Objectives

- Provide a high standard of Medical Care
- Be committed to our patients needs
- Act with integrity and complete confidentiality
- Be courteous, approachable, friendly and accommodating
- Ensure safe and effective services and environment
- To improve as a patients centred service through decision making and communication
- To maintain our motivated and skilled work teams
- through monitoring and auditing continue to improve our healthcare services
- Maintain high quality of care through continuous learning and training
- To guide our employees in accordance with diversity and equality
- To ensure effective robust information governance systems
- Treat all patients and staff with dignity, respect and honesty

Our purpose is to provide people registered with the practice with personal health care of high quality and to seek continuous improvement on the health status of the practice population overall. We aim to achieve this by developing and maintaining a happy sound practice which is responsive to people's needs and expectations and which reflects whenever possible the latest advances in Primary Health Care.
